**Monday, March 23,  
2009  
Sweetwater Golf &  
Country Club**

We look forward to your participation, along with other community residents at Sweetwater Country Club on Monday, March 23 2009. Whether you consider yourself a pro, amateur or hacker, there will be plenty of fun and competitive enjoyment for everyone.

This is a group of Wyldlife kids who went to camp last year. This is just an example of the many kids involved in Young Life in Fort Bend County this year.

Over 60 years ago Young Life was founded in Texas and is now a global ministry now reaching teens for Christ in every state in the nation and in 55 different countries. After 14 years in Fort Bend Co., the ministry is stronger than ever. We have active ministry in six Fort Bend County middle and High schools.

Countless lives are being changed as Fort Bend Young Life's volunteer leaders, 2 full time staff, area wide committee, and YOU are committed to investing in teenagers in this community. Our desire is to be involved in students' lives as they find themselves at critical decision points that could take their lives one direction or another.

Through your support of the annual Fort Bend Golf Classic, you make it possible for us to continue expanding the ministry. Last Tournament 120 golfers raised \$38,000 for the cause, and this year, because of the growth of the ministry we expect 144 golfers to raise over \$50,000. Thank you so much for being a part of reaching kids. It's the best investment you can make in their future and in ours!
