

Over 60 years ago Young Life was founded in Texas and is now a global ministry now reaching teens for Christ in every state in the nation and in 55 different countries. After 16 years in Fort Bend County, the ministry is stronger than ever. We have active ministry in eight Fort Bend ISD schools.

Countless lives are being changed as Fort Bend Young Life's volunteer leaders, 3 full time staff, area wide committee, and YOU are committed to investing in teenagers in this community. Our desire is to be involved in students' lives as they find themselves at critical decision points that could take their lives one direction or another.

Through your support of the annual Fort Bend Golf Classic, you make it possible for us to continue expanding the ministry. Last Tournament 110 golfers raised \$33,000 for the cause. Thank you so much for being a part of reaching kids. It's the best investment you can make in their future and in ours!
